# Long Island 4Q15 Office Report

The Long Island Office market ended the fourth quarter 2015 with a vacancy rate of 7.7%. The vacancy rate was down over the previous quarter, with net absorption totaling positive 422,892 square feet in the fourth quarter.

Net absorption for the overall Long Island office market was positive 422,892 square feet in the fourth quarter 2015. That compares to positive 1,127,443 square feet in the third quarter 2015, positive 406,964 square feet in the second quarter 2015, and positive 60,337 square feet in the first quarter 2015.

During the fourth quarter 2015, seven buildings totaling 229,435 square feet were completed in the Long Island market area. This compares to one building totaling 595,000 square feet completed in the third quarter 2015, three buildings totaling 81,428 square feet completed in the second quarter 2015, and 197,905 square feet in six buildings completed in the first quarter 2015.

The average quoted asking rental rate for available office space, all classes, was \$28.28 per square foot per year at the end of the fourth quarter 2015 in the Long Island market area. This represented a 0.1% increase in quoted rental rates from the end of the third quarter 2015, when rents were reported at \$28.24 per square foot.

Tallying office building sales of 15,000 square feet or larger, Long Island (New York) office sales figures rose during the third quarter 2015 in terms of dollar volume compared to the second quarter of 2015. One of the largest transactions that occurred within the last four quarters in the Long Island (New York) market is the sale of The Center Building in Long Island City. This 444,606-square-foot office building sold for \$142,000,000, or \$319.38 per square foot. The property sold on 3/18/2015 at a 5.88% cap rate.

Total office building sales activity in 2015 was down compared to 2014. In the first nine months of 2015, the market saw 48 office sales transactions with a total volume of \$613,722,753. The price per square foot averaged \$256.40. In the same first nine months of 2014, the market posted 46 transactions with a total volume of \$1,087,485,718. The price per square foot averaged \$256.18.

# NAI Long Island Who We Are

NAI Long Island provides its clients with a menu of real estate services and specialized support. Our goal is to be able to customize a delivery platform based on a client's requirements. Unlike a "one size fits all" business philosophy, NAI Long Island and its account executives understand that clients require different services, and in order for a client to knowledgeably order from our menu, we are pleased to provide a basic description of what NAI Long Island offers.

Founded in 1980, NAI Long Island is acknowledged in the industry as a brokerage firm which demonstrates excellence and quality. Our professional staff have in-depth market knowledge, experience and the proven ability to negotiate successful client specific transactions. Our expertise is complemented and enhanced by a professional staff, state of the art systems, and a computerized database to provide current market and property information. NAI Long Island operates in the New York Metropolitan area, and is the Long Island and Queens local firm and exclusive member of NAI Global, the world's most extensive commercial real estate services organization.

The philosophy of NAI Long Island is to consistently provide unsurpassed quality of service to our clients in all facets of brokerage and property management, and to maintain a positive, creative work environment in order to attract the most talented real estate professionals. By focusing on these fundamentals, we believe our business will continue to prosper and grow.

NAI Long Island has assembled an outstanding group of professionals who are specialists in the management, sales, and leasing of properties. We believe our understanding of the market, and our local and regional marketing capabilities are unsurpassed. Strategies implemented by NAI Long Island include a combination of marketing fundamentals and innovative targeting and promotion, based on a clear understanding of the competitive positioning of the property. An important component in our approach to marketing is close coordination with the owner and property manager to ensure that each aspect of property operations enhances its marketability.
